**CITIZEN BAND POTAWATOMI INDIANS**

ROUTE 5 BOX 180-D ~ SHAWNEE, OKLAHOMA 74801

The Citizen Band of Potawatomi Tribe has recently been funded by the government for a Tribal Management Program and Community Development Program. A part of this program is to mail a newsletter to the heads of households describing briefly some of the benefits available to the Tribal members and the requirements for these programs. This will be your first newsletter trying to give you some information on the benefits available, later we will publish a booklet giving more detailed information on benefits available for those who possess 1/4 degree or more Indian blood and benefits available for those who possess less than 1/4 degree of Citizen Band Potawatomi blood in which we hope to answer the questions that have been asked in many letters.

The Citizen Band Potawatomi Tribe is one of the five Tribes under the Shawnee Agency. We have an enrollment of approximately eleven thousand people, living in the fifty states and several foreign countries. The business of the Tribe is carried on by a Business Committee composed of five individuals elected by the Council. A Chairman, whose duties are general supervision of the affairs of the Council and Business Committee. A Vice-Chairman who in the absence of the Chairman shall perform his duties. Secretary - Treasurer keeps a record of all Tribal meetings, maintains the Tribal Roll, answers general correspondence, keeps a record of all Tribal money and disbursements. And two councilmen. The committee holds four quarterly meetings a year, as set out in the Constitution and Special meetings as necessary to take care of the Tribal business.

There is a Regular Council Meeting held on the last Saturday afternoon of June each year. The Council Meeting this year will be held on June 30th at Shawnee, Oklahoma. The Tribal Attorney will be present to give a report on the Tribal Claims. We would very much like to see a large attendance for the Council Meeting.

As a part of the Tribal Management program we will also be making up ID cards to be issued to any Tribal Member requesting that we mail them one. We would like at this time to request Tribal people keep their mailing address up-to-date. If you did not receive a copy of this newsletter then you know that we do not have your correct mailing address. We do correct mailing addresses when we receive a request from the individual to do so but because of the large number of requests it is impossible for us to acknowledge each one. There will be another newsletter later on. If your mailing address is not correct please mail one in. Our address is:

HOUSING The Absentee Shawnee Indian Housing serves the area of the old Potawatomi, Absentee Shawnee and Kickapoo Reservations as set out by the Shawnee Agency of the Bureau of Indian Affairs. Housing requirement is based on the yearly income of the family residing in the house and the number of dependants in the family.
